

**Invitation to Present**  
**Pediatric Practice Fair:**  
**Sharing creativity and innovation in pediatric clinical practice**

**Section on Pediatrics Annual Conference**  
**Anaheim, CA**  
**Wednesday, August 31, 2011**  
**12:30-2:30 pm in the Exhibit Hall**

The purpose of this practice fair is for practicing clinicians to share ideas about clinical practice and information with their peers. You are invited to share your creative interventions/strategies/activities, innovative programs, adaptations/modifications and specialized use of equipment, toys, and materials. Presenters may share knowledge by a variety of media including handouts, video, pictures, or examples/samples. If you need a laptop, you will need to bring your own. Participants will have an opportunity to interact with presenters, network, and learn about clinical practice. We would like to accept as many presentations as space and time will allow. You must be present to present. **Applications are due by July 15**; you will be notified ASAP if your application to present is approved. Please e-mail this application to [lglumac@caiu.org](mailto:lglumac@caiu.org).
